

Birdies for Good: A Day of Golf, Community & Giving

On September 4th, our community came together for an unforgettable day of golf, camaraderie, and giving at the Birdies for Good Charity Golf Tournament, hosted by Dorado Golf and Country Club, and benefiting two incredible organizations serving children in Tucson: Ronald McDonald House Charities and the Easterseals Blake Foundation.

The day began bright and early at 8:00 a.m., as local golf pros took on an incredible challenge of 72 holes of golf in a single day, all in support of children and families in our community. Their determination, energy, and commitment made for an exciting day on the course and helped make this event truly special.

Our homeowners and Members were an important part of the celebration, too! Throughout the day, they came out to watch the action, cheer on our local pros, and enjoy the fun. They helped keep our golfers fueled, refreshed, and happy as they made their way through an impressive 72 holes. Their enthusiasm and support created an incredible atmosphere and truly brought the spirit of Birdies for Good to life.

The generosity of our community has been nothing short of amazing. Birdies for Good has raised \$136,000 and counting! Every dollar represents an opportunity to support the important work of Ronald McDonald House Charities and the Easterseals Blake Foundation as they provide vital programs, resources, and support to children and families in Tucson.

This event was about so much more than golf. It was about coming together as a community and making a meaningful difference in the lives of local children and families. From our dedicated pros and generous donors to our enthusiastic homeowners and everyone who helped behind the scenes, each person played a role in making Birdies for Good such a tremendous success.

Thank you to everyone who played, donated, volunteered, cheered, and helped make this incredible day possible. We are so proud of what our community accomplished together, and with the fundraising total still growing, we can't wait to see just how much more of an impact we can make. We can't wait to do it all again next year!

Birdies for Good, swinging for a great cause and making a difference for children in Tucson!
